

Celebrating the world this summer! **Adult Summer Reading 2019**

**At the Linwood Community Library**

**May 6th-July 31st**

**Register online or in person starting May 6th. Be sure to turn in your reading log no later than July 31st.**

**Read 4 books during the summer to complete the program.**

You may select any book you want (fiction or non-fiction), **BUT** your book either needs to be written by a foreign author or be

set in a foreign location. The possibilities are endless! Only like American authors? Look for stories set somewhere else.

Want help? We'll have lots of books available to look at too.
